## Buy With Confidence

Ring Brothers Corporation, developers of beautiful residential communities since 1956, has achieved an enviable record of success throughout California.

Close by in Thousand Oaks, Lynn Ranch North and Summit House Ranch, two single family communities, were both sold out prior to completion. Two new communities, Peppertree—one and two bedroom condominiums in the San Fernando Valley, and Hillsborough—exclusive single family homes south of the Ventura Freeway are now under construction. In West Los Angeles, Westminster Estates, an exclusive group of large single family homes were sold within three days of the model opening.

Crosswoods was one of the most successful planned unit developments in the Sacramento area while two San Francisco developments, Topaz Way Townhomes and Harbor View, both with panoramic views of the City of San Francisco and the Bay Bridge, were successfully completed within the past two years.

Ring Brothers Corporation is a company with vision, experience, imagination and financial strength. They understand what you, as a new home buyer, want and expect in a new home. They have used every resource available to assure you that at Monte Sereno, you would receive the best possible value for your housing dollar.
